

\$818,526 IN CONSTRUCTION JOBS STARTED

Construction of new homes in Gettysburg is declining, while motel and service station construction continues strong, according to the building permits issued by Burgess Wilbur L. Plank.

A check of permits issued during the first six months of this year shows \$818,526 worth of construction—and destruction—planned. The destruction included the removal of Sanders' store to make way for a motel and removal of two houses on Carlisle St. to make way for another motel.

The permits issued during the first six months of this year show only seven new house starts, those being built by Mrs. Howard Sheffer, Grover Thompson, Orville Orner, the Gettysburg Construction Co., Carl C. Rasmussen, William S. Ayres and William Schott. Total value of the seven houses, according to the permits will be \$128,500.

Last Than Last Year
During the first six months of last year permits were granted for construction of 18 new houses. Value of the 18 houses was listed as \$255,000.

The \$818,526 worth of new construction indicated by the building permits during the first half of this year compares to permits for \$993,159 worth of work during the same period a year ago. It also may indicate that total construction this year will be under the \$1,766,321 worth for which permits were issued in 1959.

Issued also during the first half of this year was probably the first permit for a swimming pool ever given by the borough. The town now has had three swimming pools—one built on what is now high school property many years ago when it was known as Kurtz' playground and since buried; one at the Howard Johnson Motel and

Kennedy To Accept Nomination Tonight In Big Show; Sen. Johnson Is Running Mate

By JACK BELL
LOS ANGELES (AP) — Sen. John F. Kennedy formally accepts the Democratic presidential nomination tonight, with party liberals bemoaning his endorsement of Sen. Lyndon B. Johnson as his running mate.

In a dramatic but highly traditional decision Thursday Kennedy compromised with the political realities of a threatened Southern bolt and wheeled in Johnson, the majority leader of the Senate, as his vice presidential nominee.

The Massachusetts senator thus took a practical step toward quieting a growing Dixie rebellion. But he reared in return some protests from party liberals who felt they had been influential in his top-place nomination and deserved better of their efforts than a middle-of-the-road vice presidential candidate.

Await Speech Tonight
Kennedy could placate these dissenters, however, with a liberal acceptance speech tonight and the choice of one of this group to succeed Paul M. Butler as the party's national chairman. Sen. Henry M. Jackson of Washington was tabbed as a leading candidate for this job.

There was one report, quickly

SENATOR JOHNSON

denied by both the Kennedy and Johnson camps, that Johnson was chosen at his own insistence. The report came from John S. Knight, publisher of the Knight newspapers, in a copyrighted story he wrote for his newspapers.

Pierre Salinger, Kennedy's press secretary, described the re-

port as "completely and absolutely untrue."

He Was Asked
"Sen. Kennedy asked Sen. Johnson to run, and Sen. Johnson accepted," Salinger added.

In a statement issued later through his office, Kennedy himself described the story as "pure and absolute fabrication with no basis in fact. I visited Sen. Johnson at approximately 10:30 this (Thursday) morning. Thereafter, after consulting leaders of the Democratic party around the country, I asked him if he would accept the position of the vice presidency. The subject matter was brought up completely on my own initiative."

Some Nasty Cracks
A spokesman for Johnson also said there was "absolutely nothing to the story."

Knight wrote that Johnson had passed the word to Sen. Kennedy's brother Robert that, having been defeated by Kennedy for the presidential nomination, he wanted second place and would fight for it on the floor of the convention if necessary.

Confronted with this, Knight said, the presidential nominee agreed to take Johnson. The latter has tossed off some nasty cracks about the Massachusetts senator's

Aunt Mary and all her puppets, along with the Mother Goose characters portrayed by members of her staff, will provide the entertainment for all the folks at no extra charge. The rear platform of the recently acquired train caboose will serve as the stage for the performances.

A Successful Year
The animals will sing songs with Doris Hamme, a Gettysburg resident, portraying Cinderella. Perhaps, if one listens closely enough he or she might be able to distinguish Mr. Dick's voice from under one of the costumes.

Ghana Delivers 1st Token UN Forces Today In Congo

By LYNN HEINZERLING
LEOPOLDVILLE, The Congo (AP) — Ghana today delivered the first token detachment for the international military force ordered by the U. N. Security Council to the chaotic Congo to help restore order.

Maj. Gen. Henry Alexander, small army, and a small detachment of his troops set up headquarters in a downtown hotel to roars of approval from hundreds of Congolese gathered outside.

"All we are trying to do is to get everybody to put down their arms and not to do anything foolish or anything silly," a Ghanaian spokesman said.

Taking Advisers In
Alexander, after a talk with U. N. Undersecretary Ralph J. Bunche, held a staff meeting in the hotel lobby.

The commander of the U. N. force, Swedish Maj. Gen. Carl Carlsson von Horn, leaves Jerusalem by plane today for The Congo, bringing with him 11 military advisers of various nationalities, 5 radio technicians, and 5 security guards.

Tunisia dispatched an advance party of six police officers Thursday night. The North African country said it would send 500 soldiers.

Expect 2,400
Bunche said Thursday he expected perhaps 2,400 troops by early next week from Ghana, Tunisia, Morocco, Guinea, and Mali.

U. S. Air Force planes were expected to start landing at Leopoldville Airport with the first part of 300 tons of flour President Eisenhower Thursday ordered sent to the hunger-threatened new African nation.

Arrival of the first tiny U. N. detachment seemed to create a new and more relaxed atmosphere. Long lines of Belgian re-

tees in automobiles still waited to take the ferry across to Brazzaville, but there was an easier air about the city.

6,000 Belgian Soldiers
Some stores reopened and Congolese collected peacefully at their places of employment to get their monthly pay.

Belgian troops were still in control of the city and had fanned out over a large part of the country to which Belgium had given independence only two weeks ago.

Belgium has more than 6,000 soldiers in The Congo, including 4,000 holdovers from colonial days by agreement with the new republic and 2,000 others flown in when the disorders broke out after independence. The U. N. resolution authorizing the special force calls for their withdrawal, but top Belgian officials said only the additional men sent since trouble broke out would be pulled out of the country. The rest, they said, would be pulled back to the bases retained by Belgium after The Congo was given independence.

Face Secession Threat
The Congolese government of President Joseph Kasavubu and Premier Patrice Lumumba faced a renewed threat from the rich province of Katanga, whose provincial assembly Thursday night approved secession from the central government and demanded recognition of "all free-world countries" as an independent territory.

Provincial President-Premier Moise Tsonbe warned the United Nations that the U. N. task force being rushed to The Congo would not be admitted to Katanga. He cabled U. N. headquarters in New York that all was quiet in the province with the aid of Belgian troops and invited Bunche to visit Katanga and see for himself how peaceful things are here.

COLLEGE TO REGISTER FOR SECOND TERM

Registration for the second term of the academic summer session at Gettysburg College will be held Monday morning from 8:30 to 12 o'clock in Plank memorial gymnasium on the campus, according to an announcement today by the registrar, Miss Mildred H. Hartzell.

Forty-five basic and advanced courses in 20 academic areas of the regular curriculum are available to second-term registrants. The term ends August 23.

Featured will be two three-week laboratory courses in developmental reading. A section for high school students will convene July 18-August 3 and a section for high school graduates and college freshmen August 4-August 23. The reading program is designed to enhance the student's reading comprehension, study habits, critical reading ability, writing, vocabulary and dictionary skills.

First Term Ended
Courses fulfilling certain teacher certification requirements in education and health are also available. A second-term student may earn as much as seven semester hours credit, nearly a half semester's work.

Certified undergraduates of any college institution, high school graduates beginning college early, and public school teachers can obtain college credits. "Classes of moderate size in an informal atmosphere present excellent opportunities for study and discussion," a Gettysburg College spokesman said.

Normal services and facilities, such as dormitories and dining hall, will be available as will campus and area recreational facilities, including the college's new Student Union.

Enrollment for the first term which ended today was 230. Dean Charles H. Glatfelter is director of the summer session.

NEW SWEEPER GOES INTO USE

Gettysburg's new \$13,000 street sweeper went into operation today.

The new Elgin Speed Cleaner arrived Monday from Elgin, Ill. Completion of installation of parts and instruction to drivers was given and this morning George Shelleman and Robert Crone, who will be the operators, were practicing its use on Broadway.

Borough Engineer Lefroy H. Winebrenner said the present sweeper sweeps in one path the area the old sweeper swept in three and as a result should be able to do more than twice as much work with a given period of time.

The 12-year-old sweeper traded in by the town for the new sweeper was loaded aboard a truck for shipment to Elgin.

Winebrenner said use of the new sweeper indicates that the borough will be forced into some tree trimming. The old sweeper measured ten feet to the top of its cab. The new one is 15 feet high and many trees have branches too low for the sweeper to pass under them easily.

COURT ROOM IMPROVEMENT TO BE RUSHED

The Adams County commissioners this morning decided to go ahead with air conditioning and sound proofing of the courtroom at the courthouse and set August 20 as the deadline by which the work is to be completed.

The decision indicated a "race" to complete the work in time for the August term of court thus doing away with two of the problems that have especially plagued juries, witnesses and the court during the summer months—excess heat and excess noise.

An advertisement for bids for the work was published today. The sealed proposals are to be opened at a meeting of the commissioners at their office in the courthouse at 10 a.m. on July 26.

To Soundproof Windows

The courtroom is 64 feet long by 47 wide and 20 high and according to the estimate it will take from 25 to 30 tons of cooling to properly condition the room.

Ten windows, each 10 feet high and five feet wide, will have to be soundproofed by the contractor winning the air conditioning contract. The system will also have to provide fresh air at all times because the soundproofing of the windows will prevent air from entering through them.

The commissioners specified that only Adams County bidders need apply.

MECO TESTING NEW LIGHT ON TOWN SQUARE

Metropolitan Edison Co. plans to install today a new decorative lighting fixture with a mercury vapor bulb on Lincoln Square which it hopes will prove to be the answer to the town's desire for a new "Great White Way."

William A. Lentz, manager of the local Metropolitan Edison Co., and E. H. Blettner, of the Hanover Metropolitan Edison office, outlined details of the proposed lighting system at a meeting of the Gettysburg Junior Chamber of Commerce Thursday evening at the former CCC camp on W. Confederate Ave.

The Jaycees, in response to a question put by Councilman Philip M. Jones, promised to conduct a survey through the town, after the new fixture has been in place for several weeks, to determine for borough council the actual opinion of the people of the community concerning a new center of the town lighting system.

Must Purchase Lamps

Lentz and Blettner explained that the light to be placed on the southwest corner of Lincoln Square today is made by the Haco Co. of Littlestown and includes an antique looking light fixture with a 250-watt mercury vapor lamp inside which will provide about 11,000 lumen power. The present "great white way" lamps are supposed to give 4,000 lumen each.

They said that if the town wants such fixtures it will have to purchase them at a cost of \$435 each for the proposed 42 such lights on the square and the first blocks of each street radiating off Lincoln Square.

Metropolitan Edison cannot absorb the \$18,270 original cost as it would if the town agreed to use the overhead mercury vapor lights originally recommended by the electric company, the Jaycees were told. If the mercury vapor lamps suggested originally by MECO are installed the town would repay the light company for the installation over a period of years through an increased light bill but would have no original outlay for the cost of the installation.

President Harry Spangler named Robert Weiland chairman of the survey committee and asked him to seek help from Gettysburg College in setting up a "fool proof" survey to obtain a true estimate of public opinion.

To Aid Library
The Junior Chamber also decided to investigate the possibility of removing two large trees from in front of the Adams County Free Library on High St. The library must have the trees removed to place a new sidewalk along E. High St. This tree-removal project would be done free of charge by volunteers from the Jaycees. Donald Becker, Thomas Piper and Autrey Nunemaker were named as the committee for the work.

In other business, it was announced that Donald Becker and President Harry Spangler will attend the Pennsylvania state board of Jaycees meeting this weekend at Penn State University.

Dick Crist, winner of the local Jaycee golf tournament, will go to Lancaster for the state-wide

CALLS TICKET "A SHOTGUN MARRIAGE"

By HERB LINNEN
HARRISBURG (AP) — Republican State Chairman George I. Bloom said today Democrats backed "a shotgun marriage" in nominating Sens. John F. Kennedy and Lyndon B. Johnson to head their national ticket.

And, he added in an interview, Gov. Lawrence "fumbled the ball" by nominating Johnson, the Senate majority leader from Texas, for the vice presidency at the party's convention Thursday night in Los Angeles.

"I think Johnson weakens the ticket," said Bloom. "He will lose the Democrats support among the liberals, among the rank and file of labor, and minority groups will look with suspicion on his nomination."

Admits Surprise
He claimed Johnson's selection "won't sit well with the large Negro population in Pennsylvania."

Bloom conceded surprise over Johnson's willingness to run with presidential nominee Kennedy of Massachusetts.

"I was rather surprised when I heard it because there is such a divergence of opinion between the two men," he said. "I could hardly believe that Johnson would accept the vice presidency in view of his important position in the Senate."

Yielded To Green
Bloom charged that Lawrence caved in under the demands of Rep. William J. Green, Philadelphia city Democratic chairman, in backing the nomination of the 43-year-old Kennedy.

"It doesn't surprise me because Green tells the governor what to do in the Legislature and apparently that's how it went in Los Angeles despite Lawrence's previous statements that he considered others better qualified than Kennedy for the presidency."

matches to be held July 25-26.

The antique show committee reported that 26 booths for the antique show have been sold. This is the first year that all booths have been sold in advance. Chairman Richard Guise also reported additional antique dealers have applied should any vacancy occur for the show at Gettysburg High School August 19, 20 and 21.

Fill Board Vacancy
Ross Crouse, Paul Reaver and Henry Trainer were named as a committee to seek to reactivate the Chambersburg Junior Chamber of Commerce which was formed two years ago by the local Jaycees.

Donald Becker was elected a member of the board of directors to fill the vacancy caused by the resignation of Horst Lachmyer, who resigned because he has been transferred to Dillsburg by his employer.

Sale of advertising in the book published by the Jaycees each year in connection with the antique show is progressing well, it was reported. The Jaycees voted to purchase an advertisement in The Gettysburg Times listing the business places who supported them in their book.

Special guests of the club were three members of the Hanover Junior Chamber, President Fred Ecker, Secretary Glenn Miller and William Mummert. The Gettysburg Junior Chamber was formed by the Hanover group a number of years ago.

Gov. Lawrence Nominates Johnson For No. 2 Position

By RICHARD L. GRAVES
LOS ANGELES (AP)—Following Gov. David L. Lawrence's lead, Pennsylvania delegates Thursday night joined in nominating Sen. Lyndon B. Johnson as Democratic candidate for vice president.

Lawrence capped a week of on-the-run meetings and convention floor maneuverings by nominating the Texas senator as "a man who can unify, a man who can get things done, a man who can win" next November.

"Ladies and gentlemen I proudly and confidently place before you as the next vice president of the United States, Lyndon B. Johnson," Lawrence told the convention.

Delegation In Dark
Less than 24 hours before, Lawrence marshalled 69 key votes that led to defeat of Johnson and to a first-ballot victory for Sen. John F. Kennedy's presidential nomination.

During the hours preceding the nomination of Johnson by acclamation, Lawrence met with Kennedy and other top Democratic leaders to discuss vice presidential prospects.

The 161 other Pennsylvania delegates were in the dark, for the most part, about what would be the outcome of the day's discussions. At a breakfast caucus Thursday delegate sentiment appeared to favor Sen. Stuart Symington for the number two spot. There was no nose count.

Kennedy's Choice
Lawrence said the choice of Johnson's was Kennedy's, while the Pennsylvania governor was tagged for the nomination chore. By the time the convention convened Thursday afternoon the delegation had word of Lawrence's plans. They pledged their 81 votes to him in support of Johnson.

UNION CHIEFS SEE JOHNSON AIDING LABOR

By NORMAN WALKER
LOS ANGELES (AP) — Some top labor union leaders say they are stunned and unhappy over the nomination of Sen. Lyndon B. Johnson to be No. 2 man on the Democratic ticket. But they count on some early benefits.

Some other union officials welcomed the choice of the Senate majority leader for the vice presidential spot.

Those looking for quick gains figure that with Johnson as the running mate of Sen. John F. Kennedy, the party's presidential nominee, the chances are good of pushing through some long-wanted labor goals when Congress reconvenes in August. As Senate majority leader, Johnson wields power over legislation.

Leaders Huddle
Most, if not all, such goals are contained in the platform adopted here earlier by the Democrats.

The labor union chiefs attending the convention held a secret meeting Thursday night after the convention had ratified Kennedy's choice of Johnson to be vice presidential nominee.

The group included George Meany, AFL-CIO president, and Walter Reuther, head of the Auto Workers Union. Reuther is an influence in the big Michigan delegation which glumly refrained from any applause when Johnson was nominated.

Carey Is Jolted
James B. Carey, president of the International Union of Electrical Workers, said for the record he was "stunned and shocked" at the sudden selection of Johnson, the man Kennedy had beaten for the party top prize.

But not all the labor chiefs held that view. Those openly applauding included Presidents David J. McDonald of the Steelworkers and Thomas P. Kennedy of the Mine Workers. The latter said, "We think it is all right—it strengthens the ticket all over the United States."

One thing that displeased the top union men was that after working hard for Kennedy and against Johnson in the presidential nominating race, they say they were not consulted in advance of Kennedy's announcement of Johnson as a running mate.

Has Doubts About Democratic Planks
CHICAGO (AP) — Charles H. Percy of Chicago, head of the Republican Platform Committee, says the Democratic platform is long on promises, but he questions whether the Democrats can implement them.

Percy declared Thursday that Republicans will come up with what he termed "a sound, workable, realistic and forward-looking platform on which our candidates can stand with pride."

Percy declared there is "a multitude of promises in the Democratic platform that raises many questions."

SE FIREMEN MEET JULY 21

The third quarterly meeting of the Firemen's Association of Southeastern Pennsylvania will be held in Hershey at 8 o'clock Thursday evening, July 21, with the Hershey Fire Company as hosts. State police will direct members, delegates and guests to the Hershey Park golf club building where the business session will be held in charge of President Marcus A. Trout of Kinzers, Lancaster County.

Special guests of the Pennsylvania State Firemen's Association have been invited to attend and more than 200 members from the eight county units of Adams, Cumberland, Dauphin, Franklin, Lancaster, Lebanon, Perry and York are expected and will report on their activities since the last meeting in April.

Memorial service for departed members will feature the program and Glenn L. Silas, York, chairman of the credentials committee, will present a large class of applicants for membership. The "Hot Cha Choc" committee, consisting of Robert L. Rafensberger, C. R. Balsbaugh, Fred R. Loncaire, Joseph N. Sostar and Arthur H. Stoner, representing the Dauphin County hosts, is planning special entertainment and will serve refreshments following adjournment.

The annual meeting of the association will be held in Waynesboro the afternoon and evening of October 20 as guests of the fire companies of that borough when annual reports will be made and new officers elected and installed.

SWISS CONTROL B AND O STOCK

BALTIMORE (AP) — Could a group of men in Switzerland have the final say on attempts by the Chesapeake and Ohio Railroad gain control of the Baltimore and Ohio Railroad?

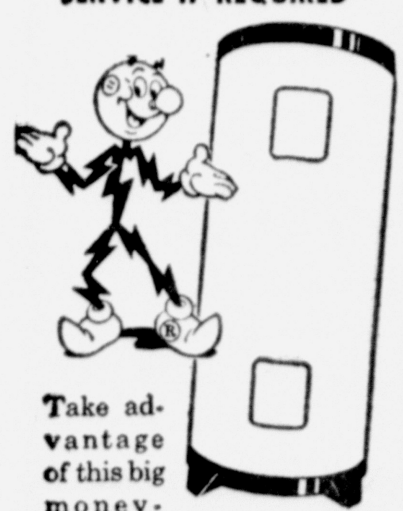

The Baltimore Sun posed that question in today's editions, saying "there is a widely accepted report" that Swiss bankers own—or at least control—about one-third of the B & O stock.

"If they should decide not to exchange their B & O shares for stock in the C & O," wrote Sun financial editor Jesse Glasgow, "then the merger could not proceed as directors of the two roads have recommended."

The Sun explained that railroads must file an annual list of their 30 largest stockholders, and the votes they have, with the Interstate Commerce Commission, and the last such report shows that Swiss banks are the second and third largest B & O stockholders.

"TO BE WITH YOU"

It's wonderful to be with you... through fair or stormy weather... for life is like a lofty dream... whenever we're together... with you my hopes are always high... smiles are not hard to find... when you and I walk hand in hand... I leave all care behind... tender is the word for you... you're warm and so sincere... it isn't any wonder that... I long to hold you near... you are the doctor of my heart... who finds it to the brim... with golden lights of courage... when luck grows rather dim... and so I cherish all... the time I spend with you... for your love is the miracle... that makes my dreams come true.

FANTASYLAND

py, enjoy seeing the children thrill to favorite characters. It has been a successful year, they said.

Still one of the key features of Fantasyland is the admission by height rather than age. Mr. Dick said the oldest woman to be admitted on a child's fare was 81 years, entering the five-foot door without stooping or slowing in her walk.

Many Added Attractions
Many attractions have been added to the fairyland since it opened last July 17. Among them are an 1865 steam train, a 19th century depot, a 14-foot tunnel, a lollipop tree, gumdrop benches, leprechaun apartments, and a real railroad caboose.

Recent additions are a 15-day-old fawn and five white mice.

One of the biggest attractions for the youngsters is "Mother Goose," who converses with realistic ease. Mr. Dick receives many letters from children who have gone home and remembered Mother Goose long enough to write her a letter.

Another feature of the park is the Wishing Well. Money thrown into the well was recently donated by the couple to Adams and five neighboring counties to help rebuild children.

"Many thousands who have seen the exhibit here have gone home happily and now are firm believers in Mother Goose," Mr. Dick said.

Most New Work

The first one issued by the borough for a swimming pool as such, as far as could be learned, was the one for Larson's Motel—and the pool is in an area which only recently became part of the borough by annexation from Cumberland Twp.

Most of the building permits were for construction. As few were for moving buildings to other locations, caused generally by the construction of Three Crowns Motel at the corner of S. Washington St. and Steinwehr Ave. There was also a permit for the sandblasting the brick home and office of Dr. Robert Lefever at the corner of York and N. Stratton Sts.

New Construction

Among the larger construction listed were the Mrs. Howard Sheffer home on W. Water St., \$10,000; William Schott home on Long Lane, \$18,000; Heller and Keller storage building off South St., \$3,000; Texaco Service Station, 450 Steinwehr Ave., \$25,450; Hall of Presidents addition, \$8,600; addition to Howard Johnson Restaurant, \$8,000; Herbert Raymond extension to kitchen, \$3,000; Gettysburg College infirmary on W. S. Cromer house, 140 York St., \$5,500; William S. Ayres house, Highland Ave. and Long Lane, \$20,000.

Major Alterations

Phi Delta Theta building, corner W. Lincoln Ave. and N. Washington St., alterations, \$50,000; remodeling lounge room Gettysburg Motors, \$4,000; Larson's swimming pool, \$8,000; SAE addition, \$38,000. The permit for the \$135,000 Colonial Motel, built this year, was issued last December.

Since July 1, eight permits have been issued calling for construction totaling \$71,950, including one residence and a \$50,000 addition to the Foursquare Gospel Church on W. Middle St. The home is that of Henry Krick on Sunset Ave. valued at \$19,500.

The other permits issued during July include Mrs. Gary Woodward, 255 Chambersburg St., two dormer windows on second story, \$400; aluminum siding at house of Francis C. Kennedy To

immaturity in the face of a demand for world leadership from the presidential office.

Rayburn Shakes Head
Johnson's friends, of course, didn't agree with this version. They frankly couldn't figure why the Senate leader would be willing to trade his position for the vice presidency which, even in its advanced status, is a job in which one man stands in preparedness for another's death.

House Speaker Sam Rayburn of Texas, who urged Johnson not to take second place, shook his head and sighed a little sadly at the outcome which was formally ratified by the Democratic convention Thursday night.

Rayburn's explanation was that Johnson had been offered the spot and replied in simple language that he couldn't reject any demand for service his party or his country laid upon him. Johnson himself offered no enlightening explanation.

Big Show Tonight

Whatever his motives, by the introduction of Johnson's name on the ticket Kennedy appeared to have softened a movement to deny him the vote of several Southern states in the Electoral College.

Kennedy could deal with the complaining liberals of the party. They had no organizations to deny him the electoral vote of any state. He could pitch for their support by the liberal utterances such as he planned for tonight's extravaganza.

Tonight's formal acceptance ceremonies take the form of a big show with its Hollywood stars and premiere lights, its thundering thousands of spectators and its nation-spanning coverage by television, radio and the newspapers.

Target Of ADA

Johnson has been a target for Americans for Democratic Action the liberal appendage of the party. He has been criticized by Chairman Butler for ignoring the recommendations of the Democratic Advisory Council.

Gov. G. Mennen Williams of Michigan, a reconviction supporter of Kennedy, said his delegation feels the nomination of Johnson was a mistake.

Robert R. Nathan, head of the District of Columbia delegation and an ADA leader, wanted to put up the name of Gov. Orville L. Freeman of Minnesota to oppose Johnson in a floor vote. But Freeman scotched that.

Other Complaints

California and Wisconsin delegates complained about the choice of Johnson, but the convention wasn't in a mood to challenge any request Kennedy made. Johnson's nomination was gavelled through without any formal vote in a session which found delegates staying away in droves.

Only Johnson's name was placed in nomination by Pennsylvania Gov. David L. Lawrence. A two-thirds voice vote was asked to suspend rules and make the nomination by acclamation without a formal vote. Although there was a substantial chorus of noes, Chairman LeRoy Collins declared Johnson nominated.

Already waiting outside the hall, Johnson then appeared to address the delegates and tell them what a "warm, good friend" he has

been to Kennedy.

This was the man who has been suggesting at every available opportunity in the last few days that Kennedy is too young and too inexperienced to be president. This was the man who said he had gone out of his way to see that Kennedy, the neophyte, has a chance to learn his politics at the foot of the master.

"Third Best Sport" Will Open Monday

"Third Best Sport," a comedy satirizing the practice in some modern corporations of screening the wives and home-lives of executives as well as their professional capacities, will open at the Totem Pole Playhouse on Monday for a run of seven performances through Saturday. Since its action takes place during a Florida business convention, the comedy also pokes fun at the pastime referred to in its title, i.e., gatherings of businessmen in conclaves that are "tax-free festivals," ranked just behind sex and baseball as a favorite sport.

Written by Eleanor and Leo Bayer, "Third Best Sport" revolves around a newcomer to the position of a "Corporation Wife." Thrown without preparation into action as an executive's spouse, she awkwardly tries to adjust to a circle in which it is poor form to prefer books to sociable games and it is considered better to be dumb than deep.

Gloria Wallis (Helen Sayre) will have the role of the individualistic wife whose rebelliousness against regimentation overcomes her efforts to fit in with modern corporate life. Maurice Ottinger (Douglas Sayre) will play the role of her husband for whom the orange blossoms disappear when he scents a sale.

Paul B. Price and Alan Helms (Arthur Underhill and Chuck Robbins) will have the roles of two other "organization men" and Sheila Barry (Marge Robbins) will portray the wife who has learned to endure the strict routines of married life with the aid of tranquilizer pills. Jonathan Troy (John Wagner) will play the bigwig who has organized every hearty minute of their existence. Thomas Ruisinger will be seen as the iconoclastic banquet speaker and Grant Code (Spencer McHenry) as a tycoon with a big order to dispose of.

VFW HEAD ASKS GI TRAINING

HARRISBURG (AP)—American servicemen should know more about their country before they are sent overseas, says the national commander of the Veterans of Foreign Wars.

Louis G. Feldman, speaking to the organization's state convention Thursday night, proposed a new plan for training military personnel "from the highest generals to the newest recruit."

Intensive Training

He recommended that servicemen undergo intensive training "in special schools and staging camps before going overseas." It should consist of lectures and studies on the country's history, customs, finance, politics, language and the U.S. position in the world, he added.

He also suggested establishment in Washington of a cold war plans board with the "primary duty to anticipate Communist moves or Communist-inspired moves."

Feldman said his views were personal and did not reflect the VFW's policy.

Today's Talk

VACATIONS OF THE MIND
We have a regular time for cleaning up our homes and offices, then why not a time to clean up the mind and give it a vacation? After all it's the change that is important when vacation time comes around. It is the grandest time of life in which to condition the mind. We ought to make summer the greatest season of the year for giving a new color to the mind, and new paths of thinking.

All outdoors should be vacation time. All nature then is uppermost in our thoughts, our plans, and our programs for the year ahead. Vacation is, or should be, our happiest time with new scenes all about us, and with nature our closest companion.

We are great creations of bodily machinery. Let us try and make of it all a thing of pride and new life. We need periodic changes of conditions and ways of life. A month of each year is none too much in which to invest in health, in discoveries, and adventures.

We should keep challenging ourselves. Our body is forever changing to keep pace with events and the unexpected. All nature is forever taking on new ways and our hearts should also dress our thoughts anew. Let us keep getting new every day!

Let us give new interests to our minds.
Tomorrow Mr. Adams will talk on the subject: "The Uplifted Chin"

Just Folks

THE HOMELY DOG
Yes, sir, he's homely; I know it—
A cur if you'll have it that way;
And I guess that he'll never outgrow it.
His looks wouldn't get him much pay.

As a dog, he is not worth a dollar;
But money won't buy him, you see;
And the reason I got him that collar
Is because he's devoted to me.

He's a cur of the brand known as yellow;
With good dogs he's not one, two, three;
But I like the unfortunate fellow,
For somehow he seems to like me.

After all, that's the way we are living;
It's not how we look or are bred.
Our favors we're constantly giving
That we may on favors be fed.

What care I for looks or for breeding,
Of dog or of man? Don't you see,
Right gladly this dog I am feeding
Because he's devoted to me.

SCRIBE OFFERS SUGGESTIONS FOR POLITICAL CONVENTIONS

LOS ANGELES (AP)—Do you suffer from the overweight, migraine, gastric discomfort, arthritis, congestion and depressive effects of national political conventions?

This week 6 out of 10 Americans do.

It's time we did something about it. After a crash research program, conducted at great personal risk and sacrifice through five conventions, I am now authorized to offer this cure. Henceforth, in all national political conventions, I would:

Limit Demonstrations
Limit all demonstrations to 46 seconds and participation to one man over 70 playing a kazoo. Eliminate all extroverts in funny hats, amateur photographers, sleepers, readers, aisle minglers, late-comers, celebrity clutters and television camera hogs—which does not quite mean all the politicians and delegates.

Require all nominating speeches to be mailed, not spoken, to the convention by fourth class mail and all seconding speeches be limited to the adjectives one can get on the back of a postcard. Eliminate all the rejects from actors' studios who are hired for the demonstrations and all the amateurs recruited for the same purpose because they wear lamp shades at parties.

Make It A Feony
Make it a felony to say, more than 22 times an hour, "man of proven courage and ability," "challenge of our times," "world at the crossroads," and "America's hour of greatest need."

Eliminate all fractional delegates. If a whole delegate can't get here, the heck with him. Half delegates confuse the vote count. Limit the playing of "Dixie" to half dozen times an hour. Ditto Texas, "The Eyes of" same and its yellow rose.

Make it a felony to slow up the work of the republic during a vote count by elaborate references to "cool Colorado" and "the Granite State of New Hampshire" and "Washington, the vacation paradise and builder of Rose Bowl champions."

Eliminate signs in the basement of the convention hall which say "To rest rooms" but which lead to other signs saying "Area closed."

Limit all spectator tickets to mutes.

Age Vs. Youth In Public Links Play

HONOLULU (AP)—Regardless of the outcome of today's 36-hole semifinals in the 35th annual National Amateur Public Links Golf Tournament, Saturday's 36-hole final will be a battle of age against youth and possibly an all-Michigan affair.

Victors in Thursday's quarter-finals were Verne Callison, 41, a Sacramento, Calif., tavern owner; Mike Andonian, 34, a Pontiac, Mich., math teacher; Bob Masters, 25, a Royal Oak, Mich., salesman, and Ty Caplin, East Lansing, Mich., a 23-year-old student of Michigan State University who "played hooky" from summer school to make the tournament.

Callison, one of California's best amateurs, plays Andonian in today's first semifinal, rated the top match of the day.

S. M. SWINTON IS APPOINTED TO AP POSITION

COLLINS GAVEL WAS NO MATCH FOR NOISINESS

By BOB THOMAS
LOS ANGELES (AP)—This has been called the age of inattention, and home viewers of the 1960 Democratic National Convention might say amen to that.

"Clear the aisles! We must have order! Will the delegates take their seats!"

Those were the most-heard words at the Sports Arena, more heard than even "the man who" and "the next president of the United States."

Viewers Complain
All three networks report that they have received many complaints from viewers about the rudeness to speakers at the convention. Citizens said they were shocked to see delegates and spectators talking, reading, and even sleeping while distinguished Americans were addressing them. Convention Chairman LeRoy Collins has almost gavelled a hole in the pounding block in an effort to gain order.

"This is just an extension of the House or the Senate," explained convention director J. Leonard Reinsch, who was not alarmed at

he situation. "When a man is speaking in the Senate, you see his colleagues reading newspapers. When there is something that everyone wants to hear, you get quiet."

Hush For Eleanor
At first, the TV commentators blamed the noisiness on the acoustics in the brand-new Sports Arena. But on Wednesday night something strange happened. Mrs. Franklin D. Roosevelt came to the podium, and the entire arena hushed. She almost could have spoken without a loudspeaker.

The acoustics weren't at fault. Other things were, and not merely the congressional habit of ignoring speakers. Among them:

1. The business of politics. It goes on all the time on the convention floor. Politicians gab and shake hands and confer and take votes with casual disregard of what is happening on the podium.

Other Faults
2. The quality of the speeches. TV viewers have learned anew that they can't look at national conventions with the expectation of hearing much that is fresh and

incisive and well-spoken. Delegates are even more immune to oratory.

3. The immensity of the meeting. The mere vastness of the Sports Arena makes it difficult for anyone to hold the interest of 15,000 human beings.

4. The TV crews. The networks themselves must take some of the blame for the hoopla on the convention floor. They are competing fiercely with each other. Their portable cameras, called creepies, prow the aisles for news beats. To this date, no living politician has passed up a chance to appear on TV.

But the basic fault may lie, as some social observers claim, with an era in which it's hard to get anyone to concentrate on anything. Folks are dinned on all sides by deaf deodorants, get out the vote, drive safely, etc., so that they shut their minds to all but the most urgent appeals.

Mary, Queen of Scots, was beheaded in 1587 as an accomplice in a plan to murder Queen Elizabeth.

Ed Matthews Ends Slump; Braves Blank Pirates 4-0 At Pittsburgh Over Haddix

By ED WILKS

Associated Press Sports Writer

Ed Matthews was in a slump so bad he was even talking about it. Milwaukee's slugging third baseman hadn't hit a home run in 19 games, and his batting average was down to .266 with just two hits in 27 trips.

The second-place Braves were stumbling along the same way, losing 11 of their last 19 games. What's worse, they had managed to beat first-place Pittsburgh just three times in 13 tries. And they were 0-4 against little lefty Harvey Haddix of the Pirates.

They buried the slumps and the Haddix jinx but good Thursday night, winning 4-0 at Pittsburgh as Matthews walloped a home run a triple and a double while driving in three runs behind the five-hit pitching of Bob Buhl and Lew Burdette's neat, ninth-inning relief.

Cuts Lead To Four

The loss, coming in a make-up game while the rest of the major league clubs were resting after the All-Star games, trimmed the Pirates' lead to four games again.

It was during the All-Star games, which don't count in regular season statistics, that Matthews mentioned the slump he was trying to shake—and showed signs of shaking it by belting a two-run homer in Wednesday's 6-0 victory over the American League at New York's Yankee Stadium.

Oddly, the left-handed hitting Matthews broke the slump against three left-handed pitchers. That was Yankee Whitey Ford who gave up his All-Star job and he was Haddix and reliever Fred Green who were tagged for his extra-base hits at Pittsburgh.

Had 15 Hits

Billy Bruton, Del Crandall and Matthews each had three of the Braves' 15 hits against the Pirates, and a dozen off 'em were off Haddix, now 6-5.

Bruton's lead off single and Matthews' double gave the Braves a 1-0 lead in the first inning. Then, with Bruton on base again, Matthews walloped his 17th home run in the fifth inning. It was the seventh ever to clear the roof of the double-deck right field stands at Forbes Field, and the second Matthews has sent over that barrier.

The Braves got their final run in the ninth, when Joe Adcock's squeeze bunt.

CUP PLAY TO BEGIN TODAY

QUEBEC (AP) — The United States Davis Cup team starts the long road back today with Bernard Barten and Barry MacKay carrying the American hopes in the opening singles matches against Canada in the first round of the American Zone competition.

Barten, 32, Dallas, Tex., veteran of the team which will try to gain back the coveted trophy lost to Australia last September, takes on Bob Bedard in the opening match on the clay courts of the Civil Employees Tennis Club. The second match sends MacKay, 24, of Dayton, Ohio, against Don Fontana.

"We got the break in the draw," said U. S. Team Capt. David Freed. "I think we'll win the first two matches."

Freed, who succeeded Perry Jones as captain of the U. S. team, said he figured the two countries might have split the opening singles if the draw had gone the other way.

"Bedard would have had a good chance to beat MacKay but not Barten," he said. "Barten's will power and steadiness are hard to beat."

CHICAGO (AP) — The Chicago White Sox enter the last half of the American League race convinced they will be in the thick of the pennant battle until the last.

The defending champions open a four-game home series with Baltimore tonight, hoping they can continue — or increase the momentum that made them the hottest in the league prior to the All-Star games respite.

The Sox have won 12 of their last 17 starts, beating Cleveland in 5 of 6 successive meetings.

CINCINNATI (AP) — A 17-year-old tiny Texan with a hot putter as a prime weapon goes gunning today for a place in the finals of the 30th annual Women's Trans-Mississippi Golf Tournament and a possible championship.

But Sandra Haynie, the Austin, Tex., high school senior who stands only five-feet, three-inches tall, faces a huge task.

The three other golfing girls remaining for semifinal play are veterans of big time competition even though two of them are young enough to have played and finished one-two in this year's National Intercollegiate.

SANTA CRUZ, Calif. (AP) — Coach Eddie Erdelatz is moulding his Oakland Raiders of the new American Football League from a big bunch of little-known former collegians.

Few fans outside northern California ever heard of Tom Flores yet he could be the No. 1 quarterback of the fledgling pro team.

A 190-pounder, standing 6 feet, 1 inch, Flores played high school ball at Sanger, Calif., moved a few miles to Fresno for junior college competition, then on to College of the Pacific at Stockton.

NEGRO ELECTROCUTED

HUNTSVILLE, Tex. (AP) — Willie Edward Philpot, a Dallas Negro, died in the electric chair at state prison today.

Philpot, 30, was convicted of the rape and murder of Joyce Goff, 10, near Longview Jan. 30, 1959.

He confessed that he threw Janis Hunter, 25, to her death from a Dallas hotel and tried to kill Trella Joy Carter, 18, in a Dallas office building.

SKINDIVER ATTACKED

FORT LAUDERDALE, Fla. (AP) — A barracuda attacked a skindiver about 200 yards off Pompano Beach, slashing the swimmer's leg and wrist in two passes.

Bob Allen, 34, Thursday was rushed to a hospital, where 30 stitches were taken in the wounds. He said later, "I never felt it, it was like being cut by a razor."

DRESSSEN IS CONFIDENT OF PASSING BUCS

By DAVID A. LEHERR

PITTSBURGH (AP) — Better pitching and more power hitting—that's how Milwaukee's Charlie Dressen figures to nose out the front-running Pittsburgh Pirates. "The only way we're going to catch them is by winning, winning, winning, and that's just what we plan to do," said the Milwaukee manager. He had just seen his Braves drub the Pirates 4-0, cutting their league-lead to four games.

Dressen said he is looking to Eddie Matthews, Wes Covington, Hank Aaron and Joe Adcock to supply the second-place Braves with the power punch.

Counting On Eddie

"I'm counting on Eddie to lead the way," claimed Dressen. "He'll hit a lot better this second half of the season, I know it. And the other guys will follow suit. They've all got great power. They just have to get started."

Dressen also claimed that his pitching was due for a comeback. He was high in praise for Bob Buhl, the winner of Thursday night's game. He also said he expected a vastly improved Don McMahon during the second half of the season.

"Don has a good and bad half in every season," declared Charlie. "Well he's had his bad half already. Now he comes on for the good part and away we go to the pennant."

"We'll Win It"

Jolly Cholly added that his two mound aces, Warren Spahn and Lou Burdette, would continue to see duty as starters and in relief.

"There was a lot of raised eyebrows when I started that," said Dressen. "But look, it's working isn't it. Tonight's game was an example of that. And the good thing about it is, that they can save a game one night and come back two days later and start."

"Don't get me wrong," continued the Braves manager. "Pittsburgh is a good team and they'll be hard to pass. But with our pitching and power jelling in the second half here, we'll win it."

Dressen blamed 12 rained out games, below par hitting and poor pitching for keeping his team out of first place in the first half of the season.

"It's a wonder we're even in second place," he said. "We had to play too much ball at once in make-up games. Our pitchers came up with sore arms. Our batters were tired. But now we're back in the groove, so look out."

Shenandoah Plans For Big Weekend

CHARLES TOWN, W. Va. — Shenandoah Downs goes into its second weekend of the summer meeting tonight with General Manager Bob Leavitt confident the bonanza will pace the track to new attendance and betting records. Leavitt hopes to hit \$300,000 in betting tonight and top last Saturday's \$445,000 on the next night.

Even with bad weather and the competition of the Democratic convention Shenandoah Downs set new attendance and betting records every night this week, with Thursday night's 4,999 crowd and \$234,770 topping previous Thursday's.

The bonanza continued to pay off in big figures, dropping below a thousand only twice and those were \$900 figures. The Thursday pool paid \$1,311.40 to six fans who picked five correct winners, while \$33.00 went to 102 who were right four times.

Tonight's feature is the Volunteer Firemen's Purse, saluting the Cumberland Valley Firemen's Association meeting in nearby Brunswick, Md. Frank G. Gabriel's Count de Coste heads a field of ten in the mile run.

Rain, Wet Grounds Wipe Out Contests

Rain and wet grounds forced postponement of all scheduled athletic contests throughout the county Thursday evening.

Most important of the postponements were those in the Upper Adams Pony League which would have concluded the first half race. The second half race will start Monday evening, with the first half still undecided due to postponements.

Among Thursday's postponements was the Greenmount-Hunterstown game in the South Penn League. No date has been set for the game.

SAN FRANCISCO (AP)—Show-down testing of the slumping San Francisco Giants opens tonight in Candlestick Park with the resurging Los Angeles Dodgers aiming to keep them on the skids.

Fifteen games remain for the Giants in their current home stand—15 that should determine if San Francisco can come back into National League contention.

Following the Dodgers into Candlestick Park will be Philadelphia, Pittsburgh, Milwaukee and Cincinnati.

PHILLIES PLAY BRAVES SERIES

PHILADELPHIA (AP) — The Philadelphia Phillies open a week-end home stand with the Milwaukee Braves tonight after a layoff for the All-Star games.

Southpaw Chris Short (4-5) will oppose Braves' right-hander Carlton Wiley (4-3).

The Phillies were idle Monday, Tuesday and Wednesday because of the All-Star games but they played the Washington Senators here Thursday night in an exhibition game, losing 4-3.

Drew Large Crowd

The 13th annual Junior Baseball Federation game drew a surprising 12,832 fans despite damp weather.

The Senators scored four runs off southpaw Taylor Phillips in the fourth inning, on six singles. Philadelphia scored a single run in the sixth on an error then added two more in the seventh when Ted Lepcio belted a homer after John Callison had walked.

3 VETS AND ROOKIE TIE

DETROIT (AP) — Three veterans who have had some long gulps from professional golf's big-money fountain and a freckled rookie trying for his first big shared the lead as the \$25,000 Western Open Golf Tournament entered the second round today.

Redhead Butch Baird, a game little Texan trying to strike it rich on the bigtime circuit, barged into first round leadership with veterans Bob Rosburg, Jack Burke and Fred Hawkins.

Each fired a three-under-par 69 Thursday as the massive field of 150 went almost from daylight to dark in first day action.

That was good for a one-stroke lead over 10 other players. A total of 32 bettered par 36-72 at Western Golf and Country Club's 6,900-yard test.

Baird, on the pro tour only since November, has finished in the money six times. The Beaumont youngster has won more than \$2,000.

'Open' Program At Lincoln Saturday

The second "open" racing program of the season is scheduled Saturday night at 8 at Lincoln Speedway, near Abbottstown. On the card for sportsman-modifieds are two 10-lap heats and a 35-lap feature.

No-vic division drivers, led by Gettysburg's Bobby Hefflin, feature winner last week, are set for two 10-lap heats and a 25-lap windup. Hefflin will be driving car No. 77.

The S-M "open" slate finds Pee Wee Pobletts (car 46) and Tom Bowers (1) the chief threats to Lincoln point leader Roger Sowers.

Sowers, of Mt. Holly Springs, tuned up for the challenge by capturing the checkered flag in last week's 25-lap feature. It was his fourth win of the season. Included is a first-place effort in the Eastern Seaboard Championship, only other "open" event held at Lincoln during the current campaign.

SPORTS CAR RALLY

On Sunday the Minqua Sports Car Club, Inc., will hold a "Fox and Hounds Rally." Cars and contestants will meet at the A&P parking lot, West St., at 1 p.m. Any nonmember interested may participate. In case of rain the rally will be cancelled.

Pirates Recall Witt From Farm

PITTSBURGH (AP) — Right-handed pitcher George Witt was recalled Thursday from the Pittsburgh Pirates' farm club at Salt Lake City.

To make room for Witt, the Pirates optioned pitcher Paul Giel to Salt Lake City.

Witt posted a 7-2 record in 11 starts for the minor league club. He hurled 66 innings and gave up 33 hits. He is expected to join the Pirates at Los Angeles next Monday.

Giel, also a righthander, appeared in 16 games for the Pirates, mostly in relief. He had a 2-0 record.

STORM SWEEPS ACROSS JERSEY

NEWARK, N. J. (AP)—Calm, pleasant weather returned to New Jersey today after one of the state's most turbulent storms in recent years.

A 100-mile-wide front swept across the state from the southwest Thursday carrying with it heavy rains, 60-mile-an-hour winds and a small tornado. No persons were killed, but the storm damaged homes, uprooted trees and power lines and caused the deaths of 3,000 chickens in Gloucester County.

Gloucester bore the brunt of the storm when the mile-wide wind tunnel, called a small tornado by the Trenton Weather Bureau, twisted its way across the county.

In Mullica Hill and Jefferson more than 100 homes were damaged by the wind and rain.

State police said the twister roared through Gloucester County like an express train, dropping trees and power lines and wrecking the roofs of houses.

The storm killed 3,000 chickens at the Sewell poultry farm of Charles Zimmerman.

ALL-STARS OF EASTERN LOOP ARE LISTED

WILLIAMSPORT, Pa. (AP) — The Eastern League All-Stars will send a power-packed lineup against the equally long-ball hitting Williamsport Grays next Thursday night at Bowman Field here in the Class A league's annual game.

Leading the all-stars will be a couple of Reading sluggers—first baseman Hal Jones and outfielder Bill Williams. Jones has belted 20 homers this year.

The Grays will counter with a couple of power hitters of their own — Charley Fields and John Herrnstein.

The All-Star team, selected by EL baseball writers and managers, was announced Thursday.

Williamsport was named to oppose the rest of the league because it was in first place as of July 10. The Grays still are in first place, 5½ games out front.

Right-hander Corky Johnson (12 2) of Springfield, the EL's Player of the Month for June, will start for the All-Stars. Manager Frank Lucchesi of Williamsport hasn't named his starter yet but his likely to be either Norm Camp or Dave Baldwin.

Pedro Gonzalez of Binghamton at second, Ed Herstek of Springfield at third, and Mike Mathieson of Binghamton at short round out the All-Stars infield. Jim Talton of Springfield will do the catching.

The two other outfielders are Craig Sorensen of Lancaster and Dick McCarthy of Allentown.

The Grays will be trying to avenge last year's 9-2 loss to the All-stars.

There was no activity in the EL Thursday night as rain washed the schedule out.

Binghamton at Allentown
Springfield at Lancaster (2)

YANKEES MEET TIGERS; TRIBE TO FACE NATS

By ED WILKS

Associated Press Sports Writer

The American League begins its battle back from obscurity (that's a joke, Charlie) tonight, resuming the pennant scrap to decide who gets a crack at saving face against the National League in the World Series.

If you've forgotten how things stood before the AL was laid out by the NL All-Stars, the New York Yankees are on top, leading Cleveland by 2½ after dropping three straight at Boston. Chicago's defending champion White Sox are third, three games back, with Baltimore fourth, another length behind.

Yanks At Detroit

Going into the opener of a four-game series at Detroit tonight, Yankee Manager Casey Stengel mentioned the possibility of resting Roger Maris, the ailing thumper who leads the majors with 27 home runs. The young right fielder also led the AL in futility, leaving seven men on base, in Wednesday's All-Star game shut-out by the NL.

It's probable, however, that both Maris, bothered by a sprained wrist, and sore-legged Mickey Mantle will be in the lineup.

The Indians, who play three with New York beginning Monday, get back to business against fired-up Washington. The Nats have won seven of their last eight — since dropping three straight to the Indians.

Human Pursuit Of Happiness Is Fruitless

WILLIAM E. FENSTERMAKER

Gettysburg Methodist Church

"We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain inalienable rights, that among these are Life, Liberty and the Pursuit of Happiness."

Long before the writers of the Declaration of Independence penned these memorable words, people had been pursuing happiness. Psalm 144 would indicate that the search is an age old one.

Today the pursuit of happiness is probably one of the foremost thoughts in the minds of the great majority of people. A look at the recent best sellers—a look at the texts of sermons of the great preachers, would indicate that somewhere along the line people have begun to feel that they are missing that right given them by the Declaration of Independence.

Where Find Happiness?

Where is happiness to be found? Webster defines the word as, "Good luck; prosperity—a state of well being." It is a hard term to define and how can we possibly measure it? We can measure units of mechanical force, calories, kilowatts, but who can weigh this ancient impulse of man? It is like trying to define beauty. It is a difficult task and yet we know when we found it, do we not?

Where is happiness to be found? Frequently we hear people wish that they might just do as they please, without fear of law, without fear of being placed in an institution for their conduct. They want to do just as they please, and they believe that this will bring real happiness. God has laid down certain fundamental laws which may not be broken, Thou shalt not kill, Thou shalt not steal. The pursuit of happiness then must not only dispense with laws, man-made, but also would of necessity dispense with God, in order to obtain happiness. Would true happiness be possible without God? Voltaire tried to find happiness in this manner and finally wrote, "I wish I had never been born."

Is happiness to be found in money? If we just had all the money we wanted, I couldn't possibly answer this personally but others have said, "Money is an article which may be used as a universal passport to everywhere except heaven, and as a universal provider of everything except happiness." Jay Gould, the American millionaire, said, "I suppose I am the most miserable devil on earth."

Position Or Fame

Is happiness to be found in position and fame? It is human nature to want to be famous and have a high position, but when it comes, how often it changes people into helpless creatures dependent entirely upon others.

Is happiness to be found in military glory? Of course, our recruiting agencies would lead us to believe that a military career is nothing but a happy, carefree cruise. Many of us out of experience rather question this. Alexander the Great conquered the known world in his day. Having done so, he wept in his tent, because, he said, "There are no more worlds to conquer."

These all seem to confirm the verdict of Solomon, "All is vanity and vexation of spirit."

Where then is happiness to be found? An oriental king asked the same question of a very wise man living within his country. He answered the monarch, "If you seek for happiness, look throughout your realm until you have found the happiest man, then wear his shirt."

The king followed instructions. He disguised himself and searched for a year to find the happiest man in his kingdom. After a long and patient quest he found such a man. The king then returned to report to the wise, old philosopher. "And," said the sage, "did you find the happiest man and wear his shirt?" Replied the ruler, "Yes, I found the happiest man I've ever known, but he didn't have a shirt!"

Jesus said, "I will see you again, and your heart shall rejoice, and your joy no man taketh from you." In Christ alone—Taste for yourself, and you will say:

"None other name for me, There's love and light, and last-ing joy, Lord Jesus, found in Thee."

I'M SERIOUS!

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

34 STUDENTS ARE HOSTED AT LITTLESTOWN

Monday evening 34 foreign exchange students arrived at St. Paul's Lutheran Church, Littlestown, where they were greeted by a similar number of host families of the community. These students were a part of 1,574 students who have been touring the U. S. for the past several weeks. The group which visited Littlestown had toured across the northern part of the nation from Portland, Ore.

Tuesday was spent touring the Gettysburg Battlefield, Doubleday & Company, Inc., plant, Hanover; the Hanover Shoe Farms, the Littlestown Hardware and Foundry Company, and the Littleton Ship Company. A box lunch, provided by the host families, was enjoyed at noon in the Doubleday picnic woods across from the plant. On Tuesday evening a dance for the students, host families and all teen-agers of the community was held at the Littlestown High School auditorium with approximately 275 persons in attendance. A 45-minute talent show was presented by some of the exchange students featuring an Indonesian candle dance, a Swiss yodeler, a Brazilian singer, an Argentinian gaucho dancer, a German guitar player and singer, a French story teller, a Dutch singer and group songs with a mistress of ceremonies from Norway. Refreshments were served by the Young Women's Bible Class of St. Paul's Lutheran Church.

HAVANA (AP)—A high-level Chinese Communist trade mission was due in Havana today, and Peiping was expected to offer to take up some of the slack in Cuban sugar sales created by the U.S. cutback in purchases.

It was anticipated that the trade talks would lay the groundwork for establishment of full diplomatic relations, which would make Prime Minister Fidel Castro's regime the first nation in the Western Hemisphere to recognize the Peiping government.

MOSCOW (AP)—Tass said today that Sen. Lyndon B. Johnson is regarded by American Negroes "as the chief saboteur of effective civil rights, and in trade union circles he is regarded as biased against labor."

In a dispatch from Los Angeles, the Soviet press agency said the selection of the Texas Democrat as his party's vice presidential nominee may strengthen the ticket in the South but will undoubtedly mean the loss of some labor and Negro votes.

PHILIPPINES' FOOD BLEND OF EAST AND WEST

By M. P. SARMIENTO
MANILA (AP) — Philippine food, like Philippine culture, is a blend of East and West.

In many of the so-called native dishes here, it's easy to detect some Spanish, Chinese, American, German, French, Indian or Japanese flavor. The first three are probably the most dominant. Hamburgers have found a home in the Philippines. So have ham and eggs for breakfast, Southern fried chicken for lunch and roast beef for dinner.

sweet-sour sauce which Filipinos like to serve with pork or fish dishes. It's as Chinese as a mandarin.

Filipino also have a dish called "Pancit" which was lifted right out of a Chinese cookbook. It has a noodle base (either sauteed or served in a soup) with chopped pork, chicken, liver and vegetables thrown in. Housewives add chopped hardboiled eggs and ground nuts. Even Chinese say this version tastes better.

Chop Suey
Chop suey is known the world over. The Filipino recipe for it calls for either pork, chicken or beef, with liberal helpings of shrimp, bits of fried chicken and chicken giblets.

Other Philippine dishes are as native to the Spanish plains as they are to this country.

When peas, olives, tomatoes and chopped sausage are added, it becomes "arroz a la Valenciana" (after Valencia in Spain).

Spanish Dishes
Come fiesta time in any Filipino town, tables are loaded with "fritada" — fish, beef, pork or chicken fried and served with a sauce made of tomatoes, potatoes and pepper plus bread crumbs to thicken it. Another dish of Spanish origin.

Mix egg yolk, milk and sugar, steam or bake the mixture and you get a custard. Top it with caramel sauce and you get what the Spanish call "leche flan." It goes by the same name here.

The moral: A foreigner can come to this country and feel as though he never left home — or at least his dining room.

PRESIDENT OF PARAGUAY MAY QUIT COUNTRY

BUENOS AIRES, Argentina (AP) — The Argentine news agency Telpress reported today that President Alfredo Stroessner of Paraguay is preparing to resign and take his family to Switzerland. The story said he already has booked airplane passage.

There was no confirmation of the dispatch, which came from the news agency's correspondent in Posadas, an Argentine city across the border from Paraguay. It is a center for Paraguayan rebels and a hotbed of rumors. The Argentine National Maritime Authority confirmed reports from Posadas that a boatload of armed civilians had crossed the Parana River from Argentina to Paraguay, landing at Ordenez. The Telpress dispatch said Stroessner is yielding power as the result of a reorganization of his Colorado party. The army will take over the government to avoid violence and give Stroessner a chance to get out, the report said.

The army has long been a principal supporter of Stroessner, South America's last dictator.

Patrick Henry said: "... liberty ought to be the direct end of your government ... Liberty, the greatest of all earthly blessings — give us that precious jewel, and you may take everything else."

Say Average Male Worth \$200,000

NEW YORK (AP) — The average U.S. male can claim an economic value of \$200,000, the Institute of Life Insurance said today.

The figure, representing his prospective lifetime income, has climbed from \$133,000 since 1949. The institute computed both totals from government income data and survival rates.

2 Escape Under Convention Cover

TOWANDA, Pa. (AP) — After Ernest Easton, 26, of Canyon City, Colo., and Charles Hackett, 26, of Elmira, N.Y., broke out of jail Thursday night, Sheriff Frank Detrick began questioning other prisoners about the incident.

He was unable to learn anything from them. They told him they failed to notice the departure of the pair because they were busy watching the Democratic National Convention on TV.

A German chemist named Martin Heinrich Klaproth discovered uranium in 1789. But it was more than a century later before scientists regarded uranium seriously.

SEN. JOHNSON SURPRISE OF CONVENTION

By JOHN CHADWICK
LOS ANGELES (AP) — Sen. Lyndon B. Johnson, 51, the Texan who is the Democratic leader of the Senate, stood out today as the big surprise of his party's 1960 convention.

The surprise was not that his bid for the presidential nomination failed; rather, it was that he is coming out of the convention as the vice presidential candidate.

Few expected that he would accept second place on the ticket, even if it were offered to him, although he had never slammed the door on this possibility.

He is Proud
But there he was in the glare of the convention hall Thursday night, after his nomination,

saying, "I am proud to stand beside and to stand behind the next President of the United States, Jack Kennedy."

What had happened after Kennedy, 43, Massachusetts senator, had soundly trounced him in the battle for the presidential nomination?

The sequence of events, as pieced together from Johnson and from other sources in and out of the Kennedy camp, was this:

Rayburn Opposed
Thursday morning, Kennedy went to Johnson's suite and then talked over vice presidential possibilities. Kennedy sounded Johnson out on taking the number two spot on the ticket but didn't offer it to him.

House Speaker Sam Rayburn, Johnson's fellow Texan and longtime political mentor, was opposed to Johnson's running for vice president, fearing it might be a dead end for him politically.

Johnson apparently let Kennedy know this because a short time later Kennedy slipped away to Rayburn's nearby hotel suite.

RERUN ROUTINE ENDS HOOPLA OF CONVENTION

By BERNARD GAVZER
NEW YORK (AP)—With a week between conventions, television settles down for the most part to its summertime rerun routine.

But a few repeats deserve a second watching or are worth your attention if you missed them the first time.

Tonight, CBS, NBC and ABC wind up coverage of the Democratic convention in Los Angeles, with CBS and NBC beginning at 9 p.m. EDT and ABC at 10 p.m. All will stick with proceedings to the end.

Saturday evening brings two reruns.

In the end Rayburn was won over, but not without some reluctance.

Lawrence For Johnson
After seeing Rayburn, Kennedy returned to his own hotel suite where Gov. David L. Lawrence of Pennsylvania, Gov. Michael V. DiSalle of Ohio, Carmine DeSapio of New York and other party leaders who played a major part in Kennedy's nomination were gathered.

A decision was reached that Johnson would strengthen the ticket the most. Other possibilities, such as Sen. Stuart Symington of Missouri, Sen. Harry M. Jackson of Washington, and Gov. Orville L. Freeman of Minnesota, were discarded.

Word of the decision was relayed to Johnson by telephone, but it was only a few minutes before the news was made public, shortly after 4 p. m., that the Texan had agreed to accept the No. 2 spot on the ticket.

peaks: "John Gunther's High Road," a look at Stone-Age highlanders of New Guinea, ABC, at 8 p.m. and "Secret of Freedom," by Archibald MacLeish.

Gov. Nelson A. Rockefeller of New York is guest on ABC's "College Conference" Sunday at 1 p.m. At 4:30 p.m., prominent British personalities turn up on CBS's "FYI" to comment upon U. S. political elections and campaigns, and the comments likely will be barbed. NBC has two color offerings in "Music on Ice" at 8 p.m. and the "Mystery Show" at 9 p.m. Ed Sullivan, on CBS at 8 p.m., has Xavier Cugat and Abbe Lane as guests.

"The Innocent Years," an excellent documentary using lavish clips of old films, covers the period 1900-1917 for NBC Monday at 10 p.m.

Comedy Spot
On Tuesday, CBS presents "The Comedy Spot" at 9:30 a.m., using different pilot films of new shows. This one is with funnyman Carl Reiner and Barbara Britton in a situation comedy.

ABC breaks into its lineup of reruns Wednesday to offer "Music for a Summer Night" with Lola Fisher at 7:30 p.m. CBS has Dan Duryea and Frank Lovejoy starring in "Shadow of a Pale Horse," a drama with an Australian setting, on the Steel Hour at 10 p.m.

Tennessee Ernie Ford winds up the season in a color show Thursday on NBC at 9:30 p.m. CBS premieres "Playhouse of Stars" which will show reruns of other shows.

U.S. Swaps Velvet Glove For Mailed Fist In New Get-tough Soviet Policy

Editor's Note — As the United States and the Soviet Union prepare to clash next week in the United Nations, Washington is switching to a get-tough strategy in dealing with Moscow. Associated Press diplomatic reporter, John M. Hightower, reviews State Department moves which reflect development of the new policy.

By JOHN M. HIGHTOWER
WASHINGTON (AP) — The United States, under heavy Soviet pounding, has largely abandoned its postsummit policy of seeking businesslike negotiations with Moscow and is switching to a get-tough strategy of its own.

Evidence of this change is already becoming apparent. It will be fully developed at the United Nations next week when the United States and the Soviet Union join battle over charges and countercharges of threats to world peace.

Secretary of State Christian A. Herter and his top aides are reported to be preparing a massive verbal assault on Soviet Premier Nikita Khrushchev's activities since he torpedoed the summit conference at Paris two months ago.

Ike Fed Up
President Eisenhower is described by officials here as fed up with Khrushchev's incessant campaign of accusations against the United States. He apparently feels that Khrushchev's hostile policy leaves no recourse except to strike back hard.

Two moves by the State Department Thursday reflected the developing new tough line. The department announced a note to Moscow calling off indefinitely negotiations scheduled for next Monday on an air transport agreement between the two countries.

This step was blamed on "recent Soviet actions and utterances" which, the department said, have poisoned the atmosphere for negotiation.

Warns Khrushchev
At the same time the department issued a new warning to Khrushchev to keep his hands off Latin American countries, particularly Cuba. It denounced him for claiming that the 137-year-old Monroe Doctrine of America for the Americans is out of date and for trying to scuttle the U.S.-Cuban treaty covering the American naval base at Guantanamo, Cuba.

Khrushchev, the department asserted, is trying to establish a "Bolshevik doctrine" under which he would make use of "Soviet military power in support of Communist movements anywhere in the world."

With the shelving of the prospective negotiations on a U. S. — Soviet air agreement, the question has arisen here whether the negotiations among the United States, Britain and the Soviet Union on a treaty barring nuclear weapons tests will be continued at Geneva.

State Department officials said Washington has no intention of breaking off the nuclear test conference and they doubt that Moscow will do so. This three-power negotiation therefore stands as the only important exception to the general collapse of East-West diplomacy.

MOST OF U. S. PRESIDENTS CHURCHMEN

By TOM HENSHAW
AP Religion Writer

NEW YORK (AP)—Candidates' religions may or may not play an important part in presidential campaigns. But one thing is certain. They do well to belong to some church.

It has been a long time—nearly 80 years—since President Rutherford B. Hayes could cheerfully admit he belonged to no church although he attended Methodist services on occasion.

Thirty-three men have held the presidency, and only four listed themselves as churchless.

Ten Episcopalians
In addition to Hayes, they were Thomas Jefferson, Abraham Lincoln and Andrew Johnson.

But Jefferson often attended Unitarian services, Lincoln went to a Presbyterian Church in Washington, and Johnson apparently shared his church-going with Methodists and Baptists.

Ten Presidents have been Episcopalians. Eight of the first 14 chief executives were Episcopalians, only 2 of the last 19.

There have been six Presbyterians, three Methodists, three Unitarians, two Baptists, two Dutch Reformed, and one each of Quakers, Congregationalists and Disciples of Christ.

Minister Running
In case it has passed unnoticed, a Baptist minister will be running for president alongside the Republican and Democratic nominees.

He is the Rev. Rutherford L. Decker, candidate of the Prohibition party.

The Rev. Mr. Decker concedes his chances are slim. The Prohibition party polled only 41,937 of the more than 62 million votes cast in the 1956 election.

FAMILY PUTS 2,000 MILES A MONTH ON CORVAIR THINKS IT'S MARVELOUS

GAS MILEAGE "OUT OF THIS WORLD"

Mr. and Mrs. Richard Kahelin of Plant City, Florida, couldn't be happier with the way their new Corvair has worked out as a combination family and business car. On their newspaper distribution route alone they travel more than 400 miles a week over all kinds of roads. Little wonder they're so pleased with the gas mileage they've been getting — "at least twenty-three miles to the gallon with an automatic transmission . . . and we've had no trouble with our Corvair." The Kahelins have equally good things to say about Corvair's easy-going comfort and unique convenience features. They especially like the way the fold-down seat doubles as a built-in baby sitter.

STAFF WRITER BRISTLES AT PIPE CRUSADE

AP staff writer Hugh Mulligan, writing in this space on Wednesday, said it was high time some high-minded crusader took out after pipe smokers. Mulligan, assuming the crusader's role, did so. In this article, staff writer George Cornell, a pipe smoker, takes off after Mulligan.

By GEORGE W. CORNELL

NEW YORK (AP) — All red-blooded citizens will rise to protest the attack that has been made on that noble comforter, the pipe.

It is an American institution. It is a source of calm, beneficence and peace. It is a well of inspiration and a thing of beauty.

Those who know the finer joys of tobacco are the pipe smokers.

The pipe is a steady companion and friend, a faithful counselor. Let it be said, at the outset, that the pipe is an ancient bulwark of culture; the cigar and cigarette relatively modern upstarts.

The pipe is an instrument of gracious esteem. It receives care and affection. It is a thing of permanence, value and distinction.

Savour Pipe
You do not devour, or inhale the smoke of a pipe. You savour it.

Builder Of Dreams

Ever since Sir Walter Raleigh sang the glories of the pipe to the courts of Europe, it has given inspiration and solace to poets, philosophers, statesmen, dramatists and historians.

The pipe is the builder of dreams.

Complaints about its scent are absurd. The air of any room is fallow and without life until it has been sweetened by the fragrance of some delicate pipe mixture.

Religious Element

There is almost a religious element about a pipe. In fact, it had its first uses in the ancient ceremonies of the Mayans in Mexico and Muskogee Indians of southwestern America, those wise
